Woah!

Born and bred,
Is this the end?
Where do we go,
From here my friend?
It's been a long time,
Yeah I know.
How did we get so far from home?

HEY HO! LETS GO!
Half a pack of cigarettes and a thermos full of joe.
It's been a while,
What should we do?
Fill up the Lagwagon or have no money left for food.

We can't do this,
It's all we've got,
A beat up car in a parking lot.
We can't do this,
Can't let it die,
This is our life,
It's the reason why.
We can't do this,
It's all we've got,
A beat up car in a parking lot.
We can't do this,
Can't let it die,
This is our life,
It's the reason why.

We can't do this,
It's all we've got,
A beat up car in a parking lot.
We can't do this,
Can't let it die,
This is our life,
It's the reason why.
We can't do this,
It's all we've got,
A beat up car in a parking lot.
We can't do this,

Can't let it die.

This is our life.
