

## Going Nowhere Fast "Rats In The Walls"

Visit "[Rats In The Walls](#)" on MotoLyrics.com

We're the rats inside your walls,  
Wronging,  
No we won't fall,  
Into the cracks left on these streets.

Shut your mouth! open your eyes!  
Screaming to,  
A crowd that's blind  
What I'm saying is;  
I would never sing along with you.

We'll be back to make amends,  
We're coming back to break this trend.  
Fuck you all, we'll disappear,  
To solve our own fears.  
We'll be back to make amends,  
We're coming back to break this trend.  
You've changed your ways.

We're the rats inside your walls,  
Wronging,  
No we won't fall,  
Into the lies you she'd tonight.

We'll be back to make amends,  
We're coming back to break this trend.  
Fuck you all, we'll disappear,  
To solve our own fears.  
We'll be back to make amends,  
We're coming back to break this trend.  
You've changed your ways.

You'll be back!  
You've changed your ways!  
You'll be back!  
You've changed your ways!  
You'll be back!  
You've! changed! your! ways!

We'll be back to make amends,  
We're coming back to break this trend.  
Fuck you all, we'll disappear,

To solve our own fears.  
We'll be back to make amends,  
We're coming back to break this trend.

You've! changed! your! ways!
