

## Gojira "Inward Movement"

Visit "[Inward Movement](#)" on MotoLyrics.com

Slow inside I take my time  
will come and fill the empty space  
my wound I'll nurse I'll understand  
my pain one day will disappear

The land beyond is deep within  
I took the path & I cannot go back  
I've just connected myself with I  
but I don't know me that well as you see

cover the distance  
find my world

I walk inside to the heart of my kingdom  
climb up a mountain and stand on the top of it  
I am the king and I am the servant  
follow the rules of loving mighty power
