All of heaven's getting ready, for the last and final
call
Heaven's choir is all assembled, an invitation to one
and all
We're waiting with anticipation, it can happen any day
All in the blink of an eye from the eastern sky we're
gonna hear our savior say

Get up (get up) get ready
We're getting ready to go
Get a move on time cause in a little while, We'll be
going home
I made up my mind, I'm not wasting time
The trumpet's about to blow
So get up, get ready, we're getting ready to go

Now don't you worry about friends and loved ones,
who have gone before
When the Lord comes back with a shout, he's gonna
shake this earthly floor
The graves are gonna burst wide open and the dead in
Christ will rise
So get up, get ready, we're getting ready to fly

Get up (get up) get ready
We're getting ready to go
Get a move on time cause in a little while, We'll be
going home
I made up my mind, I'm not wasting time
The trumpet's about to blow
So get up, get ready, we're getting ready to go

So Get up (get up) get ready
We're getting ready to go
Get a move on time cause in a little while, We'll be
going home
I made up my mind, I'm not wasting time
The trumpet's about to blow
So get up, get ready, we're getting ready to go

Get up (get up) get ready
We're getting ready to go

Get a move on time cause in a little while, Weâ€™ll be
going home
I made up my mind, Iâ€™m not wasting time
The trumpetâ€™s about to blow
So get up, get ready, weâ€™re getting ready to go
Get up, get ready, weâ€™re getting ready to go
