Gather round children, got a story to tell you about a  
man who lived long ago  
Now he was a leper and he needed a healing but he  
didn't know where to go  
So the prophet told Namen to go to chilly Jordan and  
there old Namen would find  
That after seven times into the muddy water God  
delivered right on time

God was in time for the children of Israel to cross the  
mighty Red Sea  
He was on time when the walls of Jehrico fell at  
Joshua's feet  
Every time I feel discouraged, don't have to wonder  
where He'll be  
God's been in time, on time, every time for me

Now there stood little David with a sling in his hand  
right before the giant so tall (so tall)  
And it was unlikely then to all of those men, surely  
Goliath would fall  
And when the three free boys wouldn't bite at the bell,  
the king said they crossed the line  
And they were thrown in the flame and then the fourth  
man came and God delivered right on time

God was in time for the children of Israel to cross the  
mighty Red Sea  
He was on time when the walls of Jehrico fell at  
Joshua's feet  
Every time I feel discouraged, don't have to wonder  
where He'll be  
God's been in time, on time, every time for me, for  
me for me

Yes my God was in time for the children of Israel to  
cross the mighty Red Sea  
He was on time when the walls of Jehrico fell at  
Joshua's feet  
Every time I feel discouraged, don't have to wonder  
where He'll be  
God's been in time, on time, every time

Every time God's been right on time  
God's been in time, on time, every time for me, for  
me for me
