Verse

There's a land where milk and honey flow
(They're flowing freely)
And the river of life is ebbing by
It's there for all who give their hearts to Jesus
And they'll be living in a place they'll never die

Chorus

There's a place we shall reside, where His children will
abide
In perfect harmony
And with my Jesus there, I'll never have a care
For He will comfort me
I know that Jesus is my friend and He will guide me
through
Yes to that land of endless day He's built for me and
you
And friend you're just a prayer away, from hearing
Jesus say

My child now enter in

Verse

Can you just imagine that fair land
(That He's prepared) Yes just a
Glimpse of that city would be grand
And just a prayer will gain your reservation
Oh to that city that's built by God's own hand

I know that Jesus is my friend and He will guide me
through
Yes to that land of endless day He's built for me and
you
And friend you're just a prayer away, from hearing
Jesus say
My child now enter in
