### Verse

I was a tax collector; Matthew is my name  
Despised by many, but one day I heard the Savior say  
Matthew come and follow, so I left it all behind  
Becoming His disciple, forever changed inside

### Verse

They call me Mark, and I wrote down the miracles of  
Christ  
And saw the power of answered prayer before my very  
eyes  
I traveled with some friends of mine to many foreign  
lands  
To preach the glorious message and share salvations  
plan

### Chorus

And that's the gospel, it's the gospel truth  
I tell you cause I've been there, I'm living proof  
The man who walked on water and calmed the raging  
sea

He saved me and I know that He'll save you  
Take it from me, now that's the gospel truth

### Verse

Dr. Luke is who I am, some say that I am wise  
I checked the facts and found them true, then boldly  
testified  
About the life of Jesus from beginning to the end  
And then in Acts I told about the way the church began

### Verse

I am John and I was just a simple fisherman  
When Jesus called me from my boat I followed His  
command  
How could I know that one day in a vision I'd behold  
The glory that's awaiting me in my eternal home
