I remember the first time I saw your face  
Hard rock cafe you lit the entire place  
The hottest girl I've ever seen  
You made me cum and cheated on me

My angel heaven sent  
Our time together was well spent  
I had no other reason to think any way  
Until the very next day

You started flirting with my friends in front of my face  
I tried to make it better bring a rose to your place  
Downhill from there, your true colors showed  
Too much time wasted on bitches and

My angel heaven sent  
Our time together was well spent  
When were fucking in my bedroom and I start to  
pretend  
I'm nailing your big titted friend

A story of a guy who likes video games  
A girl with another life tucked away

Message light blinks, what's it say  
"I'm a stripper Dave isn't that great"

Man I can't believe she did that to me dawg  
After all the little things, the paintings,  
The bus rides to Georgia, dude this isn't Dashboard  
Confessional

You like to tease me about my sensitive ways  
Cuz I won't beat you like your past boyfriend days  
Your legs are open 24-7  
And you're getting more business than a 7-11

You're the devil satan sent  
Our time together wasn't well spent  
Finally I see that you had your way with me  
So I'm nailing your big titted friend  
69 your big titted friend

Doggy style your big titted friend  
It's in the video that I sent
