I get off my chest  
Things I got eating me  
Sucked in by the doubt  
That is defeating me

Searching for a reason not to  
Exploit what you say  
What you do  
I'm fucking through with you  
I've been on down  
Been on down this road before

Why is it a surprise  
I'm not backing down  
Now it's clear as day  
Somethings will never change

I get off my chest  
Things I got eating me  
Sucked in by the doubt  
That is defeating me

Searching for a reason not to  
Exploit what you say  
What you do

I'm fucking through with you  
I've been on down  
Been on down this road before

Why is it a surprise  
I'm not backing down  
Now it's clear as day  
Somethings will never change

You always thought I'd burn out. It turns out  
You're at home, all alone, watching me  
Listening, bickering victories, sweet to me  
Can't you see, you fueled me

Why is it a surprise  
I'm not backing down

Now it's clear as day  
Somethings will never change

You're dead to me now  
You're fucking dead to me
