I connect with the way you talk to me
Nice to have a place to go when all else fails
I've done things the wrong way
I live withit todayt
These careless seconds left a lifelong lesson

Choice was made to let it go
Even though, no one knows
I'll never see how beautiful you could have been
Choice was made to let it go
Even though, no one knows
I'll never see how beautiful you could have been

I wish my words could comfort you
In this unfamiliar place
I wish that this weight would
Be lifted or shifted
Those careless seconds left a lifelong lesson

Choice was made to let it go
Even though, no one knows

I'll never see how beautiful you could have been
Choice was made to let it go
Even though, no one knows
I'll never see how beautiful you could have been

Helplessly I stand here it was
Warm outside but I'm numb inside
Heplessly I stand here it was
A quiet ride, a pice of me has died

Was selfish admitted
Wanna be forgiven
Was selfish admitted
Wanna be forgiven

Choice was made to let it go
Even though, no one knows
I'll never see how beautiful you could have been
Choice was made to let it go
Even though, no one knows

I'll never see how beautiful
