Dreamer everyday i get closer to where i wanna be im
not afraid of what you think of me now not afraid
anymore dont wake me up im a dreamer try to
understand try to open your heart i know youre scared
for me i know youre scared to death for your boy seven
years in the making chances come and go its now or
never so let me dream dont wake me up im a dreamer
try to understand try to open your heart i know youre
scared for me i know youre scared to death for your
boy we play dangerous come and play with us dont
wake me up im a dreamer try to understand try to open
your heart i know youre scared for me i know youre
scared to death for your boy
