When I woke up today I just felt so bad
I heard you say that you were so mad
and now we fall apart
you say I broke your heart
but you

(Chorus)

Tried to be someone that your not
Drove me nuts 'round n 'round the clock
you see you'll never love again
So if I lied to you I admit
no harm it was an accident

la la la la la la la, it was an accident

Three days go by without you babe
I don't miss you, not at all (not at all)
And i can't think of it
I'll remember what you did
cuz you

(Chorus)

Tried to be someone that your not
Drove me nuts 'round n 'round the clock
you see you'll never love again
So if I lied to you I admit
no harm it was an accident

la la la la la la la, it was an accident

la la la la la la la, it was an accident

-guitar solo-

Tried to be someone that your not
Drove me nuts 'round n 'round the clock
you see you'll never love again

Tried to be someone that your not
Drove me nuts 'round n 'round the clock
you see you'll never love again

So if I lied to you I admit
no harm it was an accident

it was an accident, it was an accident.....it was an
accident
