time winds down as you stretch upward to heaven  
his blood resounds as it's not over, precursor  
We'll paint them red. those things you said  
We'll paint them red. what you said

i miss you  
i miss you  
and i miss you  
i need you  
i need you  
and i need you more  
can see you  
i see you  
can i see you more?

i want to defend as i hold you so close to me.  
you speak of peace  
well how can that be  
surround me  
i can't believe the pain received and i can't believe  
what you said

i miss you  
i miss you  
and i miss you  
i need you  
i need you  
and i need you more  
can see you  
i see you  
can i see you more?

and i felt it  
you're not fading  
i felt it  
i'm not fading  
i felt it  
you're not fading  
i felt it  
i felt it

i miss you

i miss you  
and i miss you  
i need you  
i need you  
and i need you more  
can see you  
i see you  
can i see you now?
