some time ago
i keep losing track
over again
all these promises
wont turn golden
untill you touch them

(its permanent)
nothing is permanent
(its permanent)
well be watching your back
(fall away)
in decisions lasting for years
(touching them)
in decisions lasting for years

some time ago
memories in my head
starting again
speaking fast
still moving slow
running through the country
maybe they will find me

(its permanent)
nothing is permanent
(its permanent)
well be watching your back
(well be watching)
be watching your back
(fall away)
in desions lasting for years
(touching them)
in decisions lasting for years

like a river in arizona
drying up before you were born
starting up again
starting up again
starting up again
(well be watching your back)

starting up again
its starting up again
(well be watching your back)

(its permanent)
nothing is permanent
(its permanent)
well be watching your back
(its permanent)
nothing is permanent
(its permanent)
time is pushing us back
