Oh no, this couldn't be more unexpected  
And I can tell that I've been moving in so slow  
Don't let it throw you off too far  
Cause I'll be running right behind you

Could this be out of line? (Could this be out of line?)  
To say you're the only one breaking me down like this  
You're the only one I would take a shot on  
Keep me hanging on so contagiously

Oohhh, when I'm around you I'm predictable  
Cause I believe in loving you at first sight  
I know it's crazy but I'm hoping to..  
To take a hold of you

Could this be out of line? (Could this be out of line?)  
To say you're the only one breaking me down like this

You're the only one I would take a shot on  
Keep me hanging on so contagiously

Oh you're everything I'm wanting  
Come to think of it, I'm aching  
On account of my transgression..  
Will you welcome this confession?

Could this be out of line? (Could this be out of line?)  
To say you're the only one breaking me down like this  
You're the only one I would take a shot on  
Keep me hanging on so contagiously

Could this be out of line? (Could this be out of line?)  
To say you're the only one breaking me down like this  
You're the only one I would take a shot on  
Keep me hanging on so contagiously
