I take it all to heart  
Don't point the finger  
Choose the winner  
Hold your own  
It's never been always  
Who's the liar  
I'm the coward  
The letter read like this...

Of all the sinners I walk before  
I can't deny  
Somehow you're seeing it  
So you're the one who took the fall  
And it's bringing us together  
Don't ask me why  
Somehow I'm seeing blue  
And I'm breaking after all  
This could last forever

The choice has always been  
To take advantage  
Ride it to the top  
Still I'm caught again  
I see this coming  
See this coming Through

Of all the sinners I walk before  
I can't deny  
Somehow you're seeing it  
So you're the one who took the fall  
And it's bringing us together  
Don't ask me why  
Some how I'm seeing blue  
And I'm breaking after all  
This could last forever

We'll see if I start coming clean  
You'll see that I'm still missing

I can't deny  
Somehow you're seeing it  
So you're the one who took the fall

And it's bringing us together  
Don't ask me why  
Somehow I'm seeing blue
