Understand this i
Never hoped, never felt dealt
The way i should have been
Under the stars of good

I cannot hope, cannot feel
Cannot cope, cannot deal
Through this preemptive strife
Life

I will not die
I'll she'd my skin
All the blood was spilt
From innocence

And i pray and i beg
Don't find me so useless
So useless

Understanding through
All the views you seem to prove
New waves of jealousy
From a newborn sea

Wade the wake, wade the mire
From down 'til the steeple spire
Forever life seems to be
A little eternity

I will not die
I'll she'd my skin
All the blood was spilt
From innocence

And i pray and i beg
Don't find me so useless
So useless

And i pray and i beg
Don't find me so useless
So useless

I will not die
I'll shed my skin
All the blood was spilt
From innocence

And i pray and i beg
Don't find me so useless
So useless
