Smooth land a risin'
Eastern Idaho plateau
White Cloud's on the horizon
As up the highway I go

To where the mighty Buffalo
Starts its journey to the sea
I can feel Lady Idaho
Callin' out for me
She's reachin' out for me

And oh that blue water's rollin'
High and muddy in the spring
Feel her sweet but cold wind
Can you listen to her sing

Through the valley and the timber below
A whisper through the aspen tree
I can feel Lady Idaho
Callin' out for me
She's reachin' out for me

Oh the color on the mountain
And the color in the sky
Autumn in the air
And a tear in my eye

For I could never stay I know
But my heart will never leave
For I can feel Lady Idaho
Callin' out for me
She's reachin' out for me
She's holdin' on to me
