If your circles could be spirals  
And your idols weren't machines  
If you could pick up all the signals  
And flash on where you've been

Maybe you don't feel it at all  
It's your own fault, crawl boy crawl  
If you could quit the miming  
And try some different timing  
You could get a chance to be free

Are you receiving me  
(It's the pilot's plea)  
Are you receiving me  
(Close to insanity)  
Are you receiving me  
(Recharge your battery)  
Ooh, are you receiving me

If your prayers could all be answered  
And you were given time to pay  
The chances would be so heavy  
But you'd find a better way

Maybe you don't feel it at all  
It's your own fault, crawl boy crawl  
If you could quit the miming  
And try some different timing  
You could get a chance to be free

Are you receiving me  
(It's the pilot's plea)  
Are you receiving me  
(Close to insanity)  
Are you receiving me  
(Recharge your battery)

Are you receiving me  
(Close to insanity)  
Are you receiving me  
(Recharge your battery)  
Ooh, are you receiving

Are you receiving me  
(It's the pilot's plea)  
Are you receiving me  
(Close to insanity)  
Are you receiving me  
(Recharge your battery)

Are you receiving me  
(Close to insanity)  
Are you receiving me  
(Or are you out to lunch)  
Are you receiving
