From the Album:

* Golden Earring

How could I tell you that I loved you

You never gave me a chance

How could I know that you put me down

You had no reason, I'm on the ground

How could I know

that you were out of reach

Higher than any star, sparklin' in the blue sky

Why did you make me cry

I couldn't touch you

And I don't know why, I don't know why

You hurt my soul and lettin' me die

I don't know why, It's just another day to die

I sit down and cry

As long as the wind blows

As long as the wind howls

As long as the sea flows

I can't stop lovin' you
