From the Album:

\* Lovesweat

You walk into the room - with your pencil in your hand  
You see somebody naked and you say: Who's that man  
You try so hard but, you don't understand  
Just what you'll say when you get home  
Because somethin' is happenin' here  
But you don't know what it is -  
Do you - Mister Jones?  
You raise your head - and you ask. Is this where it is?  
And somebody points to you and says it's his  
And somebody else says Well what is  
And you say Oh my God - am I here all alone?  
You hand in your ticket - And you go watch the geek  
Who immediately walks up to you -  
When he hears you speak - and says -  
Now does it feel to be such a freak  
And you say "impossible" as he hands you a bone  
Bridqe:  
You have many contacts - Among the lumber jacks  
To get you facts when someone. Attacks your  
imagination  
But nobody has any respect  
Anyway they already expect you - To all give a check to  
the tax-deductable  
Charity organizations -  
Aah - you've been with the professors  
And they've all liked your looks  
With great lawyers you have discussed  
Leppers & crooks - you've been through all of their  
Scott Fitzgerald books - you're very well read. It's well  
known  
Well the sword swallower - he comes up to you  
And then he kneels - he crosses himself  
And he clicks his highheels  
And without further notice - he asks you  
How it feels - And he says: Here is your throat back  
Thanks for the loan!  
Now you see this one - eyed midget  
Shouting the word "Now" - And you say  
For what reason - and he says How

And you say: What does this mean  
And he screams back - you're a cow  
Give me some milk or else go home  
Well you walk into the room  
Like a camel and then you frown  
You put your eyes in your pocket  
And your nose on the ground  
There ought to be a law  
Against you comin' around  
You should be made to wear earphones
