(G.Kooymans/B.Hay)

They got gadgets for sale, pretty girls
Fat motorcycles and fast cars too
They got the coolest fashion in fishing gear
Everybody's hooked on cannibal food
Everybody's hooked on cannibal food
Everybody's hooked on cannibal food oh yeah

They all live together in this crazy town
Wide awake and waiting for you
G-strings up their pretty cracks
And pussies shaved as smooth as glass
Pussies shaved as smooth as glass
Pussies shaved as smooth as glass oh yeah

The only way to save your life
Is to run away with the speed of light
To run away with the speed of light
To run away with the speed of light
This place was made to kill you
It's name was meant to fool you

Beautiful blue

They got nightclubs on fire, say no more
Sick individuals in stereo
The next thing to crackin' is expensive fear
Everybody diggin' for the virgin blow
Everybody diggin' for the virgin blow
Everybody diggin' for the virgin blow oh yeah

Living together in this crazy world
Wide awake and waitin' for you
They got giant dicks hanging down their slacks
And smiles that swing like modern jazz
Smiles that swing like modern jazz
Smiles that swing like modern jazz oh yeah

Well the only way to save your life
Is to run away with the speed of light

Is to run away with the speed of light
Is to run away with the speed of light
This place was meant to kill you
It's name was made to fool you

Beautiful blue, beautiful blue
Beautiful blue, beautiful blue
Aha, aha, aha, aha
