Morning sunshine, praise the earth

Fill your glass with wine and dirt

I don't mind - I'm the big tree

I don't mind - I'm the blue sea

Paper castle filled with words

Limbo policeman leads the hord

I don't mind - I'm the big tree

I don't mind - I'm the blue sea

I'm sun, I'm warm, I'm child of the moon

Ever when it's dark, I'll send the dune

Can't you hear there's fishermen laughing

The whale dips down, I hear him crying for me

I'm shade, I'm good, I'm beams in june

Ever when it's dark, I'll light your room

Don't you know the clown has feelings

He's talking revolution, secret meetings

Who's free?

Morning sunshine, praise the earth

Fill your glass with wine and dirt

I don't mind - I'm the big tree

I don't mind - I'm the blue sea
