From the Album:

* No promises no debts

I'm in bed and she's bending over in a beam of d-light
You all know the sight
Things I can't seem to forget gettin' drunk and wet
In a pool of delight
She slips between the sheets and me
I can't resist I can't fight when she turns on the d-light
Achievin' that feelin' that makes my body glow
Turn on the d-light
Everything sugar and spice
When you turn on the d-light
Baby better keep it alive
Baby gotta keep it alive

Back in bed there's no conversation
Just the mellow sound of a sleepy town
And I can't sleep yet
Wanna make a bet
There's a million people in the wold
Waitin' for it to come around
Everybody's growin' up
Everybody's talkin' slow
Everybody's takin' big steps
where I don't know
Believe in what your dreamin'
Cause there won't be anywhere else to
go..
