* -

Baby can't you see
What you've been to me
I really don't understand no no
But you treat anyone yeah
Anyone so bad
But what I want to say
I couldn't tear myself away
From your love
'Cause there is no one else
Than the lord above
But I need someone, someone
Who sometimes will make me feel fine
Don't run too far
Someday you'll feel sorry
Don't run too far
There's no time to hurry
Don't be foolish
And think before it's too late

And don't forget
I'm not the only man you hate
Baby can't you see
What you've been doing to me
I really don't understand no no
But you treat anyone, yeah
Anyone so bad
The situation
In which I am
I have to miss you anyhow, mmm
But you don't really make me blue
I'm so in love with you
