

Golden Earring "Holy Witness"

Visit "[Holy Witness](#)" on MotoLyrics.com

There were so many reasons why
We loved the way we used to do
Then when suddenly I don't understand
Something that now should never end this reign

refrain:

Every time I kissed with you was heavenly
And you caressed my hand so very tenderly, tenderly

Oh baby, I hope you will listen to me
And you're gonna change your mind right now
Darling I can't do without your love
My witness is the Lord above

refrain

Darling, I hope you will listen to me
And that you're gonna change your mind right now
Baby I couldn't do without your love
My witness is the Lord above

refrain
