\* Mad love

Do you ever feel unhappy don't know what you wanna  
do

Do you do you get slap happy, give and take a few  
Oh I never been this lonely, somethin' passed me by  
I know what I'm missing, and it makes me cry  
Hunting for bounty with a treasure map in my hand  
And my secretary says she understands in short hand  
Take a note, take a note

Did I really float, in my dreamboat  
Is it time to try, before it passes me by  
I need love, I need love, I need love  
Give it to me

Don't deny me love, I need love, I need love  
Lots of it

I wanna o.d. on it  
I beg your pardon baby. Maybe you can help me out  
Could you move a little closer  
We don't have to shout you see I'm a desperate guy  
You must've heard it all before  
Oh you gotta go, - bye bye - Messin' me up some more  
Hunting for bounty with a treasure map in my hand  
And my secretary says she understands in short hand  
Take a note, take a note  
Did I really float in my dreamboat

Is it time to try before it passes me by  
I need love, I need love, I need love  
Give it to me don't deny me love  
I need love, I need love, lots of it  
I wanna o.d. on love

I need love, I need love  
Let me have it  
Let me lay my hands on love  
I need love, I need love  
Come on... don't deny me love  
Everybody's talking about love  
I need love

To boil my eggs, to stretch my legs  
To scratch my back, before I hit the sack  
I need love and with a little bit of luck  
Love and not just a quick

- You know what - I need love  
etc
