(G.Kooymans)

What's going on, what are we livin' for
When blood sticks to all people's door
What's going on, what are we livin' for
Drop down the curtain, who kills the war

I'm gonna send my pigeons to the sky
Where they can fly, high he high
I'm gonna send my pigeons to the sky
Where they can fly, high he high
I'm gonna send my pigeons to the sky
Where they can fly, high he high
I'm gonna send my pigeons to the sky
Where they can fly as a sigh

What's going on, what are we livin' for
Dream on prophets, these are dreams you ignore
What's going on, what are we livin' for
Awake from your blindness, see the score

I'm gonna send my pigeons to the sky
Where they can fly, high he high
I'm gonna send my pigeons to the sky
Where they can fly, high he high
I'm gonna send my pigeons to the sky
Where they can fly, high he high
I'm gonna send my pigeons to the sky
Where they can fly as a sigh
