She weighs her words on a silver tongue
While she cradles the phone
Moves through the room
I can hear her lightin' a cigarette
But so far she said nothin' yet
Oh, they say that your love is poison
I think that it's just uncommon

Jane Jane

There's a dark side to you that turns me on
I wish, I knew where it's comin' from
You're like a Spanish dancer on a TV set
You hide a rattlesnake under your dress
They say that your love is poison
I say that it's just uncommon

Jane Jane Jane
Don't make the same mistake again
Jane Jane
Don't break the chain that ties you to my heart
Jane Jane Jane
Listen babe

It's not a game anymore
I'm gonna throw myself in a wishing well
I'm gonna go spin dizzy on a carousel
Gonna, gonna, gonna drown myself in the pourin' rain
And wash up on some far away shore again
They say that your love is poison
I can't do without it darlin'

Jane Jane Jane
Don't make the same mistake again
Jane Jane
Don't break the chain that ties you to my heart
Jane Jane Jane
You've gotta listen to me babe

Jane Jane, oh Jane
You've gotta start makin' sense baby
Jane, it's not a game

It's not a game anymore
Don't you know that we've gotta change
Jane Jane
