From the Album:

\* Bloody buccaneers

Wake up in the morning, glad to be alive  
My heart's on fire and I'm shaking  
All I want is a little peace and quiet  
Stop me from going crazy yeah  
Stumble to the kitchen  
Flashin' back on last night  
Gotta get to work, I'll never make it  
I was hungry for action  
I saw her standing there  
Looking like a bomb in a basement, Yeah!  
She said: Hey there stranger, wanna walk into my life?  
Treat a woman right, get in on tonight  
Do you want to?  
And I want and I want you to give it!  
Give it all you got, give it all it takes

Give it all you got and don't fake it!  
Anything you want: I never get enough  
Give it all you got  
And Joe you better stop all you're thinkin'  
Stop thinking 'bout tomorrow tonight  
Joe ,you better stop all your dying  
Stop dying to get home alive  
Faster than a bullet, hotter than a gun  
Like a shootin' star, I've been chasin'  
I was ripping off her jacket, magic in my hands  
She told me to relax, and embrace her, Yeah!  
She said: Cool it little sinner  
Got a big appetite, treat a woman right  
Never get enough of your never ending love
