Someone needs someone
And the game is called love
Hear me, I'm losing my mind
Judy, oh Judy, I love you
Come give me a sign

Money is something
That can buy me much
Much but not what I need
Seeing that light in your sweet eyes
Makes my heart beat
Life seems so easy for you
Oh, let me live too
Judy, Judy I'm loving you

Now I left town
To follow you down
Leaving behind all I had
Following that light in your sweet eyes
Is driving me mad
