Time, time, time to change
But than you gotta sacrifice
Don't you know it's not a game
Killing your own brother

I hear footsteps on the stairs
(Jump and boy)
And they're fading in the dark
(Don't jump run boy)
I hear footsteps on the stairs
(Jump and boy)
But they don't leave no mark
(Don't jump run boy)
Jump and run

When you leave it all behind
When you recognize the truth
And you don't wanna stand aside, yeah, yeah
When you burn your bridges down

There ain't no tomorrow
But you're looking down
Down into a deep hole
Gimme light, gimme light, gimme light, gimme light

Time, time, time may change
When the seed of the lies been planted
I can hear the goose-step coming
Follow the leader blindfolded

I hear footsteps on the stairs
(Jump and boy)
And they're fading in the dark
(Don't jump run boy)
I hear footsteps on the stairs
(Jump and boy)
But they don't leave no mark
(Don't jump run boy)
Jump and run

When you leave it all behind
When you recognize the truth

And you don't wanna stand aside, yeah, yeah
When you burn your bridges down

There ain't no tomorrow
But you're looking down
Down into a deep hole
Into a deep hole
