Get out of my parlor, won't you  
Get out of my life  
Put on that crazy raincoat  
You're gonna need it tonight  
Get out of my parlor  
Fore I cut you with a knife  
Don't want your disease  
Don't need your silly jive

{Chorus}:

I was an innocent bystander  
I was middle of the road man for you  
Then you took me for a ride, now baby  
Showed me all the things you could do  
I always listen to  
The good-looking lady  
A mistake I won't make no more  
'Cause you might be  
A good-looking lady  
You're rotten to the core

I've been under your influence  
Under your spell too long  
Now people keep me at a distance  
Everything I do is wrong  
My brain's disintegrating  
Devil's singing my song  
This cannot continue  
This cannot go on

{Chorus}

You're nothing but a  
Long blond animal
