You want different positions  
to keep your love-life successful  
and you want a happy ending  
with lots of stud potential  
reliable and perpetual  
without being distasteful, oh wee

My papa says it's not the size  
nor the way it's looking, it's the way it moves  
on stiletto shoes - papa sure improves  
but I bet he's just tryin' to be commercial

So let me say something simple to you  
before we get to do the do: Baby I love you  
that takes care of that, you can take off your hat  
You and me gotta be the lucky few

There's a tourist in the city  
that went and lost his lady  
on the purpose if you ask me  
He'll have to find a reason  
to cover-up the treason  
meanwhile let's hope the night never ends (2x)  
'cos mad love's coming, I know mad love is coming  
Mad love is coming, I know mad love is coming  
Mad mad love is coming, I know mad love is coming

Out on the corner - city boy routine  
Right on the border of enemy territory  
This is how far you've come, this is how far you've gone  
There's a fool's moon out, makin' me shout

and it's cruel cruel - street's a mean school  
Too many blows - below the belt, you know  
This is how far you've come, this is how far you've gone  
There's a fool's moon out, makin' me shout  
Mad love is comin', not too soon  
on beds that sail outta the blue  
Mad love is comin', all day through  
who's afraid of that romance is doomed

Mad love's comin', all over your walls

Into your life, it creepy crawls  
This is how far you've come, this is how far you've gone  
There's a fool's moon out, makin' me shout

Mad love is .....
