You want different positions
To keep your love-life succesful
And you want a happy ending
With lots of stud potential - reliable and perpetual,
Without being distasteful, oh wee
My pappa says it's not the size
Nor the way it's looking, it's the way it
moves
On stiletto shoes - pappa sure improves
But I bet he's just tryin' to be
commercial
So let me say something simple to you
Before we get to do the do: Baby I love you
That takes care of that, you can take off your hat
You and me gotta be the lucky few
There's a tourist in the city
That went and lost his lady
On the purpose if you ask me
He'll have to find a reason
To cover-up the treason
Meanwhile let's hope the night never ends (2x)
'cos mad love's coming, I know mad
love is coming
Mad love is coming, I know, mad love is coming
Mad mad love is coming, I know, mad love is coming
Out on the corner - cityboy routine
Right on the border of enemy territory
This is how far you've come, this is how far
you've gone
There's a fool's moon out,
makin' me shout
And it's cruel cruel - street's a mean
school
Too many blows - below the belt, you know
This is how far you've come, this is how far
you've gone
There's a fool's moon out,

makin' me shout
Mad love is comin', not too soon, on beds that
sail outta the blue
Mad love is comin', all day through;
who's afraid of that romance, is doomed
Mad love's comin', all over your walls
Into your life, it creepy crawls
This is how far you've come, this is how far
you've gone
There's a fool's moon out,
makin' me shout
Mad love is
