Another hour past midnight  
Moonshine through the skylight  
The bottle's empty and my mind is full  
Of your ghost that keeps hauntin' this room

And I could spend all my life  
Just sittin' here paralyzed  
And I could spend all my life  
Waitin' for you to materialize

Love was the only thing  
I always felt for you  
Bigger than anything  
Baby I die for you

Hold me cause I think I'm falling  
Like rain on a Monday morning  
And when it rains I'm pourin'  
My heart out again

I can't remember, I can't forget  
I can't see 'cause my eyes are wet  
The bottle's empty and it says: you fool  
How many tears do I spill for you?

I could spend all my life  
Just sittin' here paralyzed  
I could spend all my life  
Like a thorn of glass in your eye
