From the Albums:

- \* The hole
- \* Naked II

Tony - my head's on a pillow  
Clock strikes it's the count of four  
Four hours of tossin' & turnin'  
In a big brass bed  
I've tried all the tricks in the book now  
But I just can't sleep no more  
Tony, what's happenin' to me  
I'm tired & I'm cold  
Somehow I'm imagining things  
Movin' in the shadow  
And my face is a painting crying  
In the heat of the sun  
Let the world outside - pay it's dues  
I'll never know why - no matter how high  
It's a sign that's been sealed & delivered  
Tony, it's lookin' into your  
Quiet eyes - silent tears  
Silent as the night you deserted me  
Quiet eyes - silent tears  
Silence - & the night lasted seven years  
Meanwhile I'm counting all the hours  
& I've counted all the days  
On the pages of a calendar  
& I threw it all away  
Tony I'm tryin' to make some sense baby  
I'm always tryin' to get through to you  
Maybe you're the last one to notice  
How much I've been lovin' you  
Let the world outside - pay it's dues  
I'll never know why - no matter how high  
It's a sign that's been sealed & delivered  
Tony, it's lookin' into your  
Quiet eyes - silent tears  
Silent as the night you deserted me  
Quiet eyes - silent tears  
Silent as the night you deserted me  
Quiet eyes - silent tears  
Silence - & the night lasted seven years

Quiet eyes - silent tears  
Silent as the night you deserted me  
Quiet eyes - silent tears  
Silence - & the night lasted seven years  
Quiet eyes - silent tears  
Silent as the night you deserted me  
Quiet eyes - silent tears  
Silence - & the night lasted seven years
