Hello my dear, I've been driving  
Hello my dear, I've been driving  
Hello my dear, I've been driving, driving  
Hello my dearÂ...

I've been drivin' all night, my hand's wet on the wheel  
There's a voice in my head that drives my heel  
It's my baby callin', says, "I need you here"  
And it's a half past four and I'm shiftin' gear  
When she is lonely and the longing gets too much  
She sends a cable comin' in from above  
Don't need no phone at all  
We've got a thing that's called Radar Love  
We've got a wave in the air, Radar Love

The radio is playing some forgotten song  
Brenda Lee's comin' on strong  
The road has got me hypnotized  
And I'm speedin' into a new sunrise  
When I get lonely and I'm sure I've had enough  
She sends her comfort comin' in from above  
We don't need no letter at all  
We've got a thing that's called Radar Love  
We've got a line in the sky, Radar Love

No more speed, I'm almost there  
Gotta keep cool now, gotta take care  
Last car to pass, here I go  
And the line of cars drove down real slow  
And the radio played that forgotten song  
Brenda Lee's comin' on strong  
And the newsman sang his same song  
Oh one more radar lover gone  
When I get lonely and I'm sure I've had enough  
She sends her comfort comin' in from above  
We don't need no letter at all  
We've got a thing that's called Radar Love  
We've got a line in the sky  
We've got a thing that's called Radar Love  
We've got a thing that's called Radar Love
