Well there's the Rockabilly cat's
With their pomps real high
Wearing black drape coat's, all real gone guys
The cool skinhead's with roll up jeans
Looking real tough and mighty mean

There's a rumble in Brighton tonight
Ringside seat's for the neighborhood fight
There ain't a goddamn thing that the cops can do
There's a rumble in Brighton tonight

They sew fish hooks under their collars
Got razors in their shoes
"Go cat go" is their battle cry
World war three is starting to brew

Well, the skinheads all use black jacks
And they're looking mighty mean
They got chains wrapped around their fingers
And their heads are all shaven clean

There's a rumble in Brighton tonight
Ringside seats for the neighborhood fight
There ain't a goddamn thing that the cops can do
There's a rumble in Brighton tonight

Well there ain't a man left standing
So let's all go get a beer
No team is a winner
So we'll see you all next year

There's a rumble in Brighton tonight
Ringside seats for the neighborhood fight
There ain't a goddamn thing that the cops can do
There's a rumble in Brighton tonight

Rumble in Brighton tonight
Rumble on the beach tonight
Rumble in Brighton tonight
Rumble on the beach tonight

Well man there ain't a goddamn thing

That the cops can do
So line back up for a side line view
Ringside seats for the neighborhood fight
There's a rumble in Brighton tonight
