From the Albums:

- * On the double
- * Eight miles high

Call my name and I'll be there
To serve your majesty everywhere
No instruction is too much for me
Execute his order, like in a bad dream
Ah, ah, ah,.....
No use to run and hide
For his eyes are open wide

and when he finds you
These eyes will burn into your soul
I sold my life, without thinkin' twice
But instead of fortune he gave me lies
I'm facing hell to eternity
The only way out is suicide for me
Ah, ah, ah,.....
