From the Album:

* Winter harvest

Tears and lies
Show me your land
Of hope and dreams
When she cries
I know it's not
The way it seems
I can go on
When I came home
Everything looked
The same old way
She was alone
Asked me again to stay
I can go on
People they said things I didn't believe

I love her, I love her so I couldn't leave
From her side
If she could only
Tell me the truth
There will be harm
I have to loose her anyway
Tears and lies
Show me your land of hope and dreams
When she cries
I know it's not the way it seems
I can go on
