From the Album:

\* Switch

So when all things come to an end  
Deadly switches all close at hand  
Make your dreams and duties mingle -  
Laws and morals finally bend -  
Holy switch will you defend?  
I'm switching all the time  
Switching ain't no crime  
Gotta change the climate  
Gotta raise my rate -  
You see a boy in motion  
Is never much too late

Refrein:

Switching's easy - oh, it's essential  
And you know when you flick it  
You can start a new episode -  
Warm love - can costume hatred  
And the truth could be a lie  
Yes a man can - switch to lady  
Of indiscrete last goodbyes  
And a blade can switch behind you  
When you expect shells from the sky -  
Oh you go when it's your time  
Switching down the line  
Switching ain't no crime  
Gotta change the climate  
Gotta raise my rate -  
You see a boy in motion  
Is never much too late

Refrein:

Switching's easy - oh, it's essential  
And you know when you flick it  
You can start a new episode -

Refrein:

Switching's easy - oh, it's essential  
And you know when you flick it  
You can start a new episode -  
Switching's easy - oh, it's essential  
And you know when you flick it  
You can start a new episode -
