From the Album:

\* Golden Earring

This is the wall of dolls  
Secret world of smalls  
Look at them all my friend  
You'll be on of them in the end  
Frozen smiles and frowns  
Lives of ups and downs  
Aren't you - Aren't we all  
Part of the wall of dolls  
Listen to thew puppet clown  
His tales might bring you down  
Hang dwarfs and trolls  
Hang on the wall of dolls  
This is the wall of dolls  
Secret world of smalls  
Look at them all my friend  
You'll be on of them in the end
