From the Albums:

If your memory serves you well
We were goin' to meet again and wait
So I'm goin' to unpack all my things
And sit before it gets too late
No man alive will come to you
With another tale to tell
But you know that we shall meet again
If your memory serves you well
This wheel's on fire
rolling down the road
Best notify my next of kin
this wheel shall explode
If your memory serves you well
I was goin' to confiscate your lace
And wrap it up in a sailor's knot
And hide it in your case

If I knew for sure that it was yours
But it was oh so hard to tell
But you knew that we would meet again
If your memory serves you well
This wheel's on fire, rolling down the road
Best notify my next of kin, this wheel shall explode
If your memory serves you well
You'll remember you're the one
That called on me to call on them
To get you your favors done
And after ev'ry plan had failed
And there was nothing more to tell
You know that we would meet again
If your memory serves you well
This wheel's on fire, rolling down the road
Best notify my next of kin, this wheel shall explode
