From the Album:

\* Contraband

We'(ve) been friends for a long term run  
Shared the goods & we shared the fun  
But it's true that nobody knows  
& no one can tell  
Why in heaven do these moments come  
Yeah, who in heaven lets these moments come  
When the truth gets twisted  
& somebody's ringin' hell's bell  
Yeah we seen some high times  
And it's too bad I's always sad  
You got 10 seconds baby & then I'm gone  
Gimme one reason for stayin' home  
refrein:  
Time's up, I hope you make a million  
And have a lot of pretty children  
But this is my song gotta say solong  
I'm always hopin' for the best in life  
I try to put it right between my lines  
But somehow you been missin' the clues  
& you got me feelin' used

Yeah, we seen some high times  
There's more to come, where they come from  
You got 10 seconds baby & then I'm gone  
Gimme one reason for hangin' on  
refrein:  
Time's up, I hope you make a million  
And have a lot of pretty children  
And this is my song gotta say solong  
Time's up, I hope you get the picture  
For your case, there ain't no cure  
I'll be free and you'll be fine  
Time's up, I hope you make a million  
And have a lot of pretty children  
But this is my song gotta say solong  
Time's up  
So long, bye, bye  
Time's up
