All your lip gloss and eye shadow
So seductive, so mature

Ooh, you're such a femme fatal
Only one look
You can't touch the merchandise

I keep dreamin' of you
Thinkin' of you
Walkin' with you
Runnin' away from you

I love the way you lie to me
My sexual fantasy
My queen believe me
I'll always be waitin' for an opportunity

But you're too much woman, not enough girl
You'd sell your soul for a diamond and a pearl
Too much woman, not enough girl
Rather be livin' in a grown up world

Too much woman, can't you see?
You're too much woman, but not enough girl for me

Sittin' in your ivory tower
Waitin' for the man, waitin' for the power
Lookin' at the sand in the hourglass
Listenin' to the sound of the cars go past your window

Baby, baby, I'll keep dreamin' of you
Thinkin' of you
Walkin' with you
Runnin' away from you

Runnin' away from you
Runnin' away from you
Runnin' away, runnin' away

You're too much woman, not enough girl
You'd sell your soul for a diamond and a pearl
Too much woman, not enough girl

Rather be livin' in a grown up world

Too much woman, can't you see?
You're too much woman, but not enough
Not enough, not enough, not enough, not enough
Not enough

You're too much woman, not enough girl
You'd sell your soul for a diamond and a pearl
Too much woman, not enough girl
Rather be livin' in a grown up world

Too much woman, can't you see?
You're too much woman, but not enough girl for me

Too much woman
Too much woman, you're not enough girl for me
Too much woman
Too much woman not enough girl for me
Too much woman
