Somewhere in a lonely hotel room
There's a guy starting to realize
That eternal fate has turned it's back on him
It's two a.m.

It's two a.m. the fear has gone
I'm sitting here waitin' the gun still warm
Maybe my connection is tired of taken chances
Yeah there's a storm on the loose sirens in my head
I'm wrapped up in silence all circuits are dead
I cannot decode
My whole life spins into a frenzy
Help I'm steppin' into the twilight zone
This is a madhouse
Feels like being cloned
My beacon's been moved under moon and star
Where am I to go
Now that I've gone too far
Help I'm steppin' into the twilight zone
This is a madhouse
Feels like being cloned
My beacon's been moved under moon and star
Where am I to go
Now that I've gone too far
Soon you will come to know
When the bullet hits the bone
Soon you will come to know
When the bullet hits the bone
I'm falling down a spiral
Destination unknown
A double crossed Messenger
All alone
I can't get no connection
I can't get through
Where are you
