"When People Talk"

When people talk 'bout our age
They do not know what they say
Why do they laugh at us?
Why calling names?
They think we just play games
When they talk

When people talk 'bout our love
They say too much (...)
Why don't they understand?
What do they care about a lovely (?)
When they talk

We just go on and love is shown
Like in the time (...)

People if you talk 'bout this song
Please don't forget once you were young
So change your mind
Try to understand and take our hand
No more talk
