From the Single:

\* Yes! We're on fire

Here we are, ready to run fast  
And far better than anyone before  
We chase the sun in the morning  
We jump for gold  
There are no losers in this game  
Only winners participate  
And you know I'm not a liar when I say  
Yes we're on fire, Yes we're on fire  
Yes we're on fire, Yes we're on fire  
Silver, bronze and maybe gold  
The blazing heat, the chilling cold  
In this arena we all strive  
To beat the records head up high  
To break the records head up high  
Yes we're on fire, Yes we're on fire  
Yes we're on fire, Yes we're on fire  
From javelin to boxing ring  
From weightlifting to skating rink

Young and proud and passionate  
Planet earth top athletes  
The competition always fierce  
With beating hearts and eyes so clear  
To beat the records head up high  
To break the records head up high  
The sweat the tears, the blood we bleed  
We are the living legends carving history  
The flag that fills our hearts with pride  
the joy that makes our spirit fly  
And you know I'm not a liar when I say  
Yes we're on fire, Yes we're on fire  
Yes we're on fire. Yes we're on fire  
on fire, on fire, we're on fire
