From the Album:

\* Seven tears

Don't ever look behind you when you get on your way  
You better keep on rolling, could be your last day  
And if you torture your brains  
By thinking how far  
Then lean on me and I'll pull down that bar  
refrein:

Oh, something gotta hold on me  
That's why I'm movin'on so easily, yeah, yeah  
Well maybe I'm wearing rags  
But I'm on no-ones back  
So do give a smile to me  
Believe me you're better off free  
Don't ever look behind you when you get on your way  
You better think about tomorrow  
Forget about today  
And if you torture your brains  
By thinking how far  
Then lean on me and I'll pull down that bar  
refrein:

Oh, something gotta hold on me  
That's why I'm movin'on so easily  
Oh maybe I'm wearing rags  
But I'm on no-ones back  
So do give a smile to me  
Believe me you're better off free  
Don't ever look behind you when you get on your way  
You better keep on rolling, could be your last day  
And if you torture yourself  
By thinking how far  
Then lean on me and I'll pull down that bar  
refrein:

Oh, something gotta hold on me  
That's why I'm movin'on so easily  
Oh maybe I'm wearing rags  
But I'm on no-ones back  
So do give a smile to me  
Believe me you're better off free
